

DAEMON X MACHINA

A BRAND-NEW NINTENDO SWITCH TITLE WITH THE STRATEGY OF A MECH GAME AT THE SPEED OF AN ACTION GAME!

A brand-new, fast-paced mech action game from Kenichiro Tsukuda is coming to the Nintendo Switch system. Take your Arsenal, a fully customizable powered suit, out for an array of missions to surmount the enemy at all costs. Choose and equip your Arsenal with a multitude of weapons, obtain more from downed enemy Arsenals, and swap them on the fly to suit your strategy in the face of ever-changing threats.

FEATURES:

- Kenichiro Tsukuda is well known for his work developing the *Armored Core* series. He and his talented team have developed this brand-new title with the goal of making it “the best mech action game” out there.
- The character designs were created by Yusuke Kozaki, who also worked on the *Fire Emblem Awakening* and *Fire Emblem Fates* games.
- Mech concept designs were created by Mr. Kawamori, who also worked on the *Armored Core* series and the *Super Dimension Fortress Macross* series.
- Arsenals can battle freely in the air and on the ground.
