Calling Cards

Cut out the bingo cards and calling cards along the dotted lines. Give each player a bingo card. Shuffle the calling cards and place face-down. Draw one calling card at a time and read the letter (B, I, N, G, or O) and name on the card. If you have a match on your bingo card, put a penny or small item on that square. The first player to cover five squares in a row (vertical, horizontal, or diagonal) yells "BINGO!"
