

\*Kids, ask a grown-up for help with scissors

## Instructions:

1. Cut out the crown and two chart pieces along the dotted lines.
  2. Tape or glue the paste tab to the top half of the chart so they line up.
  3. Tape or glue the crown to the paperclip or clothespin.
  4. Attach the paperclip or clothespin to your current mood on the chart.
- Whenever your mood changes, you can move the marker!
