

Cappy wreath ornament

Kids, ask a grown-up for help with scissors!

1. Cut out all pieces carefully along the dotted lines, including white circle inside wreath.
2. Fold back green tabs toward white side of paper.
3. Punch out two small white holes on green side of paper.
4. Wrap paper strip into a donut shape with green side facing out and paste ends together.
5. Paste tabs to white side of HAPPY HOLIDAYS wreath, then paste the red circle piece over it.
6. Fold tab on Cappy piece, then paste Cappy to the inside bottom of donut shape.
7. Paste tabs to white side of cut-out wreath so that green side is facing out. This part can be tricky, so ask a grown-up for help if you need it.
8. Thread string through the two holes on top and tie in a knot. Hang ornament anywhere that needs holiday cheer!
