

Do-it-Yourself Desert Diorama

Your paper oasis is the last safe haven in a dangerous world.

Materials needed:

*Kids, ask a grown-up to help!

• Heavy paper, such as cardstock • Tape or glue • Scissors*

Step 1: Cut out background scene (page 2) along dotted lines.

Step 2: Fold back tabs, then fold side flaps towards each other along solid lines. Tape or paste flaps under grassy area so that solid lines meet, then gently press down.

Step 3: Cut out characters and Bloom Booths along dotted lines and fold back tabs. Tape or paste onto front grassy area.

Step 4: Enjoy your desert oasis with Tethu, Tethi, and the rest.
