

Mushroom Kingdom Gift Tags

Kids, ask a grown-up for help with scissors!

1. Print this sheet on sturdy paper (such as cardstock) if you plan to punch a hole through the gift tag and attach it with string or ribbon. If you plan to attach the gift tag with tape, you can use regular paper.
2. Cut out the tags along the dotted lines.
3. Fill out the "To" and "From" boxes.
4. Punch a hole and run a ribbon or string through, then tie tag to gift. Or, use tape to stick the tag to the gift.
