Mushroom Kingdom 3-D Ornament

Kids, ask a grown-up for help with scissors!

- 1. Cut out all pieces carefully along the dotted lines.
- 2. Carefully cut out the gray box labelled "Cut Out."
- 3. Punch out two small holes along the top green strip of paper where indicated, then thread string or ribbon through the holes and tie with a knot.
- 4. Fold back gray tabs along the solid line toward the blank side of the paper.
- 5. Fold back all green tabs along the solid line toward the blank side of the paper.
- 6. Fold back Mario and Yoshi's square from the "Happy Holidays" square along the solid line. Glue or tape together the backs of the squares. (Tip: you could even add a picture of yourself to the character square !)
- 7. Glue or tape the gray tabs on the sides of the frame to the back of the "Happy Holidays" square. Tuck in the small tabs at the top of the frame, then glue or tape them in place.
- 8. Glue or tape the gray tabs at the bottom of the frame to the bottom front of the character square. Go ahead and deck the halls with these festive decorations!
