

# Kirby-inspired Rice Cereal Treats

## Ingredients

- ★ 3 Tbsp. Butter
- ★ 6 Cups of Rice Cereal
- ★ 4 Cups of Miniature Marshmallows
- ★ 2 oz. of Multiple Fondant Colors  
(depending on your design)
- ★ 8 oz. of Pink Fondant to cover Kirby
- ★ 1 oz. of Blue Fondant to make the Goggles
- ★ Edible Paint (variety of colors)
- ★ Cooking Spray
- ★ Corn Starch

## Equipment

- ★ Large Saucepan
- ★ Wax Paper
- ★ Wooden Spoon
- ★ Roller Pin

## Preparation (Kids, please ask an adult for help!)

### Step 1

In large saucepan, melt butter over low heat. Add marshmallows and stir until completely melted. Remove from heat. Add rice cereal and stir until well coated.

### Step 2

Lay out wax paper on a clean, flat surface. Empty the mixture onto the wax paper and let it cool until warm enough to touch, approx. 5 minutes. Spray your hands with cooking spray and rub together. This will coat your hands and make it easier to work with the sticky mixture. Roll the treats into circles – the size is up to you!

### Step 3

Carefully roll out the light pink fondant and cover the balls, one-by-one. To make the fondant less sticky, sprinkle corn starch before rolling! Try to make them as smooth and round as possible. Once you have all of the balls covered with the fondant, it's time to give some shape to Kirby (cut or tear any excess fondant)! Using additional light pink fondant, mold feet for each Kirby, Water should be used to act as the glue to help make it stick!

### Step 4

Now it's time to design Kirby's eyes. Using the black, white and blue edible paint, follow the example pictured above. You may also choose to paint in Kirby's cheeks with light pink paint if you didn't use fondant. Allow time for the paint to dry then enjoy your Kirby-inspired Rice Cereal Treats! Bonus: If you wish, you can even design some of the Kirby balls to look like one of the transformations in the Kirby and the Rainbow Curse game.
