

Kirby's Rainbow Rope Necklace & Bracelet

Tip All it takes is a quick trip with mom to the arts and crafts store to find everything you need to make your own Rainbow Rope bracelet! You can choose a combination of any color you like, but we recommend following the rainbow!

Equipment

- ★ Scissors
- ★ Rainbow or Pink & White beads
- ★ Leather cord or parachute cord
(also known as paracord): any color
- ★ Letter "K" bead (any color of your choice; we chose white)

Directions

Make sure you choose a flat surface to work on before you get started on your bracelet!

Step 1 Carefully cut the leather cord or parachute cord into bracelet size or necklace size, depending on your jewelry choice. Lay the cord evenly on the flat surface. Thinking about making a necklace? We recommend 1.5 - 2 feet of cord (depends on person). For a bracelet, 7 inches of cord.

Step 2 Using the cord length as a guide, lay out all beads and create your own design. We recommend starting in the middle with the letter "K" and working out to each side to create a fun color assortment on either side of the "K".

Step 3 Once you have your perfect design, tie a knot on one end of the cord and begin stringing each bead one-by-one until you have placed all of your beads.

Step 4 Make another knot at the other end of the cord to secure the beads and then tie both ends together.

Step 5 Now you're done! Time to show off your love for Kirby by wearing it proudly!
