

Poochy & Yoshi's Woolly World amiibo diorama

Instructions:

*Kids, ask a grown-up to help you!

step 1 Cut out the top yellow bar, blue stage, and bottom green bar.

step 2 Fold the tabs backward along the dotted line on the yellow and green bars.

step 3 Tape the top yellow bar and bottom green bar to the back of the blue stage. The blue background should curve slightly.

step 4 Cut out the items you want to use, then use a small loop of tape or double-sided tape to stick items to the stage.

step 5 You can now put a Poochy or Yoshi amiibo figure inside your diorama!
