

How to create your Arwing *Kids, ask a grown-up to help you!*

1. Print on sturdy paper, then cut out all four pieces along the dotted lines.
2. Cut a total of six slits along the dotted lines on the Right, Left, and Center pieces.
3. Fold along the indicated lines on the Right, Left, and Center pieces.
3. Slide a wingtip through the slits on the Left, Center, and Right pieces (in that order).
The tops of the pieces should point in the same direction as the wingtips.
