

3	Cut out blue stage														0	

SUPER MARIO MAKER

SUPER MARIO MAKER DIORAMA

KIDS, ASK A GROWN-UP FOR HELP!

- 1 Cut out the top yellow bar, blue stage, and bottom green bar.
- **2** Fold the tabs on the top yellow bar and bottom green bar backwards along the dotted line.
- **3** Tape the top yellow bar and bottom green bar to the back of the blue stage. The blue background should slightly curve. Cut out the items you'd like to use on your stage.
- 4 Loop a small amount of tape and stick it to the back of the items you cut out.
- 5 Stick the items wherever you'd like on the stage.
- ⁶ Place any Mario amiibo figure inside the diorama to display it.
