SUPER MARIO PARTY PENNANT BANNER

Ready to celebrate?
You can let this printable pennant banner do the talking!

1. Ask a grown-up to help you cut out the flags along the dotted lines, then place them on a flat surface with the letters face down and the pointy ends pointing toward you.

2. Beginning with a character flag (like Mario), make a valley fold toward you along the solid line to create a tab.

3. Fold the tab over a long piece of string or ribbon, then tape or paste the tab to the back of the flag.

4. Do this for each flag. Be sure to put the letters in the correct order, or else P-A-R-T-Y will be spelled wrong!

5. Hang your banner up where everyone can see (with your parents' permission, of course). It's time to celebrate!
