

Warp Pipe Centerpiece

play.nintendo.com

Items Needed

PVC Pipe and connector
Green paint
Paint brush
Scissors
Floral Oasis
Colorful Flowers

How To

Kids, please ask a reasonably crafty adult for help!

- 1 Purchase standard white 6" or 8" PVC Pipe and circular pvc pipe connectors at your local hardware store.
- 2 Purchase a small batch of green paint and a medium size paint brush.
- 3 Paint the pvc pipe in green as well as the circular pvc pipe connector.
- 4 Get the floral oasis damp with water
- 5 Stand the pvc pipe up vertically and stuff 1.5 inches of floral oasis into the green pvc pipe
- 6 Attach the green circular pvc pipe to the top off the standing vertical pvc pipe to create a mini warp pipe
- 7 Arrange colorful florals into the oasis inside the pvc pipe to create the DIY Mini Warp Pipe Flower arrangement
