Item description:

You have to beat the mini-games in story mode in order to unlock them for multiplayer, so here's the story mode 100% done. All mini-games unlocked!

Instructions: After downloading, put your SD card in your computer and extract the contents of the zip to the SD card. When viewing your SD card it should be similar to this: X:/private/wii/title/RRBE/data.bin (HAS TO BE THAT EXACT FOLDER STRUCTURE OR IT WILL NOT RECOGNIZE IT AS A SAVE FILE)

Put the card in your wii, go to your wii data management and copy the save from the SD card to your wii hard drive. Load up Rayman, hit story mode to validate your profile and you should see "P" there. Select that and you're good to go!

Download: Click Download and in a few moments you will receive the download dialog.
