Installation:

Extract the zip file on your SD card (found in the computer).

It must respect the path private/wii/title/"Game Code"/data.bin

Insert the SD card with the Savegame in the console Wii .

Skip to Wii Settings> Data Management> Data Save.

Select the Savegame you want to copy and paste there.

Caution: Do not forget that if you have a Savegame of the game, the duplication will not overwrite the existing Savegame on the Wii. For this you must first remove the Savegame of internal memory the Wii to be able to transfer the news.
