[b]Description:[/b]

CSI : Premeditation on Wii looks like a soft real investigation, where the player must investigate and collect evidence. The title focuses once again on the team in Las Vegas. As in Season 9 of the series, the team can count on the backing of Dr. Ray Langston , played by Laurence Fishburne .

[b]Installation:[/b]

Extract the zip file on your SD card (found in the computer).
It must respect the tree private wii title "Game Code" data.bin
Insert the SD card with the Savegame in the Wii console.
Skip to Wii Settings> Data Management> Data Save.
Select the Savegame you want to copy and paste there.

Caution: Do not forget that if you have a Savegame of the game, the duplication will not overwrite the existing Savegame on the Wii. For this you must first remove the Savegame of internal memory the Wii to be able to transfer the news.

Download: Click Download and in a few moments you will receive the download dialog.
