#### Item description:

\*Will NOT work with Save Game Manager(s)\*

-This will only work if you have a softmodded Wii and you have enabled "Remove NoCopy Save File Protection"

>> Just extract the zip directly to your SD card and merge/overwrite existing data for this game. Data Management > Save Data > Wii > SD card tab), select the saved game that you want and select "Copy". Keep in mind that if you already have a save on your Wii that you're trying to replace, it wont overwrite it, so you'll have to backup your save, then delete it off your Wii internal memory to be able to transfer the new one on.

**Download:** Click Download and in a few moments you will receive the download dialog.
